

# Excel 818 Long Distance Plan

Excel Telecommunications is pleased to announce one of the most competitive long distance rate plans in the market. With an aggressive U.S. interstate per minute rate and extremely competitive in-state and international rates, you will have access to Excel's nationwide quality network and may realize significant bottom line savings.

## Personalized Solutions Backed by Superior Customer Service

### 1+ Calling

#### Interstate and In-State Rates

- No day-of-the week or time-of-the day restrictions, just savings around the clock
- Interstate rate of \$0.029 per minute
- See page 2 for low in-state rates

### International Calling

#### Global savings to over 235 countries

- Competitive international rates (See pages 3, 4 and 5 for rates)

### Competitive Billing Increments

#### Save more by paying only for the time you use.

- Interstate and in-state 1+ toll and international calls billed in 60-second increments with a 60-second minimum.
- No monthly minimum usage fee or requirement

### Convenient Invoicing

#### View your invoices online and pay online

- E-Invoicing or invoicing through your local service provider only
- If E-Invoicing is selected, payments must be made via automatic recurring monthly payment with a check or credit card

Effective 09/01/2009
